UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR HOLDERS OF USIB-D-5.1/26

SUBJECT : Revision of DCID No. 1/7, "Control of
Dissemination of Intelligence"

REFERENCE : USIB-D-5.1/26, 10 October 1974

1. All USIB members have submitted their concurrence or comments on the proposed revision of DCID No. 1/7, which was circulated for Board consideration by the reference.
2. The NSA, Treasury and FBI members have concurred.
3. The Acting CIA member has withheld his concurrence pending a review by the Security Committee of whether NOFORN markings should be placed on appropriate USIB and IRAC documents, review of paragraph 6. a. , and change of WINTEL to WNINTEL [paragraph 4. a. (1)].
4. The Acting State member concurred, but stated that certain aspects of the proposed directive present problems for State and, therefore, requested a review of the directive in an appropriate forum.
5. The Acting DIA member, while not identifying any specific problem, recommended that the subject DCID be remanded to the Security Committee for staffing and recommendation to USIB.
6. The AEC representative to USIB expressed his concern with the DCID 1/7 revising the CONTROLLED DISSEM intelligence caveat to "NOT RELEASABLE TO CONSULTANTS OR CONTRACTORS." His concern is that such a caveat will perhaps be interpreted in a very narrow sense and thus be counterproductive to the use of the national nuclear laboratories in their intelligence support role to the AEC

and other USIB agencies. General Giller noted that the Department of Justice ruled that the special and unique relationship of AEC full-time weapons laboratory personnel enabled the Commission to treat them as if they were full-time Federal employees.

7. Because of the above concerns expressed by the USIB members, the Director of Central Intelligence has referred DCID No. 1/7 to the Security Committee for review and recommendation to the Board.
